

SWISS routes (LSGG)

Winter schedule

SWISS tends to operate less flights in the winter from Geneva than it does in the summer : a total of only 16, compared to 30 in the summer, almost double.

Switzerland 🇨🇭: Zürich

UK 🇬🇧: London (Heathrow)

Ireland 🇮🇪: Dublin

Sweden 🇸🇪: Gothenburg, Stockholm

Spain 🇪🇸: Barcelona, Málaga, Valencia

Belgium 🇧🇪: Brussels

Portugal 🇵🇹: Lisbon, Porto, Faro

Greece 🇬🇷: Athens

France 🇫🇷: Nice

Morocco 🇲🇦: Marrakech

US 🇺🇸: New York (JFK)

SWISS is removing a significant amount of routes this winter season compared to last : 3 routes, Berlin, Hamburg and Pristina.

This is due to ongoing issues with their A220-100's which are scheduled to all retire in 2027.
